- Pebble Bee or similar tracking device for smart phone use (1<sup>st</sup> litter 2016)

**\*10 Year Puppy Replacement** - This does not include the vet check, health certificate, shots, worming, transportation, carrier, or travel kit fees. This Lifetime Free Replacement Puppy Health Guarantee is for the health of your Collie, and does not cover accidental death, neglect, abuse, or injuries that your dog may sustain while being a part of your family. We believe that **Life's Abundance** food and supplements are a great combination to provide your dog with optimal health, so that your Collie can live a long and happy life with your family! This Lifetime Free Replacement Puppy Health Guarantee does transfer to new owners (if you are unable to care for your dog), when no lapse in the use of these products occurs. This guarantee requires that they remain on the **Life's Abundance** dog system as verified by purchases through the following website [www.drpetstore.com](http://www.drpetstore.com).

If a 20% discount is part of this agreement the purchaser agrees to buy **Life's Abundance** dry or canned food for a period of 10 years. If during that time the purchaser does not continue to buy the food the 20% will be collected by **DR Farms** as verified by sales on [www.drpetstore.com](http://www.drpetstore.com)

If the Collie is being shipped as part of the sale any required health certificate will be performed by a reputable Veterinarian by **DR Farms** on behalf of the purchaser.

If the delivery occurs in Texas then the current Texas sales tax will be collected.

A full refund will be provided during the initial 48 hours and for any reason as long as the puppy and registration papers are returned to **DR Farms**. DO NOT fill out the AKC owner registration paperwork, mail it to AKC, or register the puppy on the AKC website online until you are certain you will be keeping the puppy!

No other guarantees, other than in the case of hereditary, life threatening defects that have developed during the dogs first year, and render it unsuitable as a pet, are given. A defective dog will be replaced as soon as one becomes available. No monetary refunds are given after the initial 48-hour period unless agreed upon by **DR Farms**.

The buyer(s) agrees never to surrender this dog to an animal shelter, **ASPCA**, or any other organization that uses euthanasia as a means of dealing with unwanted animals. **DR Farms** agrees to take back any puppy/dog it has bred no questions asked if it ever becomes necessary for the owner to give up the dog.

We strongly recommend spaying/neutering the pet within the first 12 months for the dogs' health and to prevent an unwanted litter. This is recommended for your Collie puppy before \_\_\_\_\_.

i **DR Farms** a Collie breeder and AKC member is proud to have sold Birds & Animals Unlimited several of our puppies that are performing in a number of high profile situations. As an AKC breeder we are very dedicated to not only breeding a quality collie puppy but we are also proud that we stay in touch with the owners of our puppies to provide an additional educational resource.

ii If the Collie puppy is being shipped as part of the sale the shipping cost including, but not limited to any required health certificate, kennel crate cost, and any shipping cost required by the shipper will be in addition to the agreed contract cost listed above.

**DR Farms** will arrange the shipping and reserves the sole right to reject the requested manner, conditions, or time of shipping, as the health of the puppy is ultimately our number one concern.
